- A. Database
- **B. Spreadsheets**
- C. Graphics Package
- D. Document Processor
- E. Slide Presentation

27) What is the probability that all are pink?

- A. 2/650
- B. 1/680
- C. 4/630
- D. 3/680
- E. 4/680

28) Which word does NOT belong with the others?

- A. unique
- B. beautiful
- C. rare
- D. exceptional

29) Guide is to direct as reduce is to A. decrease. B. maintain. C. increase. D. preserve.

30) All the trees in the park are powering trees.Some of the trees in the park are dogwoods.All dogwoods are powering trees.If the ?rst two statements are true, the third statement is

a. true.

b. false.

c. uncertain.

Study the following information to answer the given questions

31) Expenditure of A in 2014 and 2015 are N12 and N14.

What was the total income of A in 2014 and 2015 together?

- A. N40.8
- B. N40.4
- C. N44
- D. N46.4
- E. None of these

32) Ratio of Expenditure of Companies A and B in 1993 was 4:5. What was the ratio of their incomes in the same year?

A. 58:75

B. 75:58 C.78:55 D. 72:55E. None of these

33) Total Expenditure of company B in all the years together was N125. What was the total income of the company in all the years together ?

- A. N185
- B. N520
- C. N250
- D. Cannot be determined

34) From a group of 4 men , 3 women, 2 persons are selected at random, Find the probability at least one man is selected?

A. 6/7 B. 7/6 C. 5/6 D. 11/21 E. 12/21
